## Third annual Santa Paws was a great success!

Held at the Marion Center  
for the second year, we saw  
many familiar faces from  
years previous, as well as  
many new. We thank  
everyone and their pets for  
visiting with Santa Paws

and for supporting the Kodiak Animal Shelter.

Also a HUGE thank you to Mickey Jones for her time  
and spirit bringing  
joy to all the good  
little dogs and  
cats as Santa  
Paws.

See you next time!

## Hey BoBo!

One of our long-term  
gals at the animal  
shelter is **STILL**  
looking for her forever  
home!

She arrived June 2013  
and while many of her  
fellow long-term  
shelter kitties have  
found homes, BoBo is  
trying to figure out  
why she's still there.

BoBo is a very  
sociable, sweet gal.  
She gets along great

with dogs, cats, and children. She has a very  
cute and unique meow that she will sometimes  
greet you  
with at the  
door. Often  
begging for  
attention,  
she is very  
friendly, but  
she is not the  
sort who has  
to be on your lap or in your presence at every  
second. She is an 8-year-old longhaired calico.

BoBo is such a sweet and beautiful girl who

deserves a second  
chance at life  
outside of the  
shelter. Meet her  
and see for yourself!
